

Registration for courses in the fall semester of the academic year 2026/27

Urban Sustainability Studies – 1st cycle studies

I year

To register for classes, you must have an email account on the UMK server (<https://konto.uci.umk.pl/>), and therefore a USOS (student management information system) account.

Students register via USOS for the course “**Basics of urban economics and management**” (2800-BUEM-USS-1-S1): **lecture, laboratory and fieldwork**. **Registration via USOS for this course starts on 28.09.2026 at 11:30 and ends on 30.09.2026 at 23:59**. Students will be registered for the remaining courses by the Dean's Office. The laboratory group selected during registration will be used for all laboratory classes.

University-wide courses in English: students register for courses totaling a minimum of 2 ECTS credits per year. Students register for university-wide courses via USOS. **Registration via USOS for university-wide courses in the winter semester will open on September 21, 2026, at 12:00 PM and close on October 11, 2026, at 11:59 PM**. The whole offer of university-wide courses in English can be accessed <https://www.umk.pl/uploads/1779709453626/ZO-O-2026-2027.pdf>. In both semesters, 1st year students **should not** choose courses included in the Minors Sustainable Tourism or Urban Policy and Governance (with letter “M” in the last column).

The course “**Occupational Safety, Health and Ergonomics**” is 8 hours of e-lectures available at the Moodle platform (<https://moodle.umk.pl/BHP/>).

Half-day **library training** will be scheduled at a later date.

II year

Students that stay at NCU at the Minor Urban Policy and Governance at NCU register to the courses included in the Minor via university-wide course registration on USOS.

dr hab. Czesław Adamiak, prof. UMK
Vice-dean for education
